CLYDE HIGH SCHOOL

Presented by the Senior Class of '56

DEDICATION

Mr. Merle Flamm

We, the Senior Class of '56, are proud to present The 1956 Courier to Mr. Merle Flamm, one of our class advisors, whom we feel has done very much to make these four years in high school ones that we will long remember and cherish.

Mr. Flamm was born in Berlin, Pennsylvania, and graduated from the High school there. He received his Bachelor of Arts Degree from Ashland College, his Master's Degree from the University of Michigan and he has done graduate work at Western Reserve University and Ohio State University.

After completing his formal education he served in the United States Air Force overseas for three years.

Before coming to Clyde, Mr. Flamm taught at Wauseon High School. He also served as an instructor in the Physics Departments of Ohio State University and Bowling Green State University.

He spends his leisure time on his collection of classical records, gardening, photography and traveling.

In closing we, the Seniors, would again like to express our thanks to Mr. Flamm, not only for the conscientious manner in which he presents subject matter in the classroom; but, also for the leadership and guidance which he has shown as our Class Sponsor. We hope that many future classes of Clyde High School will be fortunate enough to have the opportunity to have Mr. Flamm as a teacher and sponsor.

PRINCIPAL

Mr. Gerald Daniels

We are indeed happy to welcome Mr. Daniels into our school system as our principal. We hope that he is finding in our school the satisfaction and pride which he anticipated when he accepted the responsibility of leading our high school.

He is a native of Chardon, Ohio, and his academic training well qualifies him for the responsible position which he holds. He received both his Bachelor of Science Degree and Masters Degree from Kent State University. He also attended Hiram College and the University of Cincinnati.

Before coming to Clyde, Mr. Daniels served as a teacher and principal at Chardon High School.

Under his competent leadership, our high school is sure to continue to develop in the same progressive manner which has characterized our school throughout the years.

MOMENTS TO REMEMBER

1944 - - 1956

We, the Seniors of "56", are very proud to give you a brief resume' of both our happy and sad experiences that we are leaving behind.

Here we were, first graders, our diplomas were practically in our hands. Just think, only twelve more years to go. Hey, Seniors, remember Tommy Dick? What a character, huh? We're sure the boys, at least, will remember all their little fist fights that year.

Next came the second grade. That was the year Larry Dinan caused a great rumpus. Wonder if the 'doc' ever got that eraser out of Larry's nose. That was the first year we had art classes. Miss Richmond tried to **throw** some of her artistic skill at us but apparently we didn't catch it!

Our third year started out with friction as a result of the boys' "new shiny slide!" We girls were left with the old rusty one that the boys' had worn out anyway! In order to restore our dignity, we found a new way of entertaining ourselves, jump rope!

That year was marred by the death of one of our classmates, Wayne Matter.

Not that this was very important to our fourth grade year; but, we **did** get new history books! Also, for the first time in our school life, we used "little" pencils. Remember the "Board of Education?" It came in personal contact with all of us just because of that old coal-bin which we slid down and ripped our coats and trousers. Hey, Glenn, it wasn't football season when you tackled Crock in the hall and kissed her! Brave, weren't you!?! This little game, which is commonly called chase, continued into ever-widening circles until it finally reached our entire class.

When we look back on our fifth grade year, we'll all remember the pain and agony of learning the alphabet backwards: zyx—wv—uts . . . How could we ever forget?! What 'big shots' we thought we were this year. We rang the recess bell and also changed classes, just like the high school kids! The educational feature for that year was our trip—to the water works! Oh, boy, what we **didn't** learn!

"SELF-CONTROL". These two famous words will always be remembered by the Class of '56 as a part of our sixth grade year. Another great event was the crowning of our king and queen. Hey, Ozzie, how did you ever rate having Glenn as your king?!? Oh, that's right, he was your 'best' boyfriend that year. They were chosen as "King and Queen of Hearts"! Louie Snyder left that year but none of us will ever forget "Good 'ol bouncing Louie!" The average number for 'holding tones' that year was 20, but not for Bake! He sure was a windy 'ol character! He always made it at least to 40 and usually past! The last memorable thought that we have of this year is Mrs. Greek, her "closet," and her "paddle juice." We're sure no Senior will ever have hiccups again without thinking of Mrs. Greek and her unusual cure! We were all sorry when we learned of Mrs. Greek's death in the summer of '55.

Luck had finally come to good 'ol Clyde Hi when we entered those hallowed halls as seventh graders. The feature of the year was our "Round the World Dinner!" Oh, the food (?) and those costumes! As the old saying goes, "We had everything there from soup to nuts! !" A very heartbreaking fate occurred that year. Mr. Hendricks gave us the dreadful news that we girls could no longer play football! To us, that was a fate worse than death!

The key to our eighth grade year was "study." As we recall, that is all we ever seemed to do. The results appeared on our grade cards. As a matter of fact, you might have even classified us as "brains!" (Ha) Glory came to our class that year when Bill Dencer was selected to be Clyde Hi's drum major. We'll always remember him for his outstanding performance on the football field and elsewhere and this will always bring back proud memories to our class. We wish the future drum major as much success as our Bill has had!

What a "riot" our Freshman year turned out to be! We really got into a lot of mischief thanks to Mrs. Noel and her "easy-to-get" library passes! We were also the victims of slave day that year. Those mean masters, making us push peanuts down the hall with our noses. The first social event of our high school years was our Freshman Leap Year Dance! The girls felt real brave, or should we say the boys were even braver. They accepted the dates offered by the girls. Glory again struck the Class of '56. Frankie was our first and only boy to go all through his four years of high school as a member of the varsity football squad. The lucky ones who were selected as prom servers this year were: Jean Snyder, Barb Voltz, Barb Ernsberger, Glenn Goltz, Bill Dencer, and Harold Jennings. Last, but certainly not least, came our Freshman parties! We wore out **so—o—o** many milk bottles that year!

MOMENTS TO REMEMBER (con't.)

Our Sophomore year started a series of successful events for our class. That year we started something new at C.H.S.; we sponsored the first Hard Times Dance. This was made an annual affair by our class. Remember how we worked and slaved with our posters, P.A. announcements, tickets, and decorations? WOW!! It was a lot of hard work but turned out to be loads of fun. That year, too, was the year Frank won a prize at the 'Sock Hop' for his "big" feet! To conclude that year we had a biology party in June. We took school buses and went to the lake. We toured Catawba Cliff and then went to Snyder's cottage and enjoyed a very wonderful time. Take it from us, if you've never seen Coach Miller in a bathing suit, his legs sure are "cute"! !

Our Junior Year! We did so many exciting things that year. Our success continued. First of all, we were honored by having Frank elected as a member of the Sandusky Bay Conference both the Junior and Senior years. In November, we presented our Junior Class Play, "Father of the Bride"! We were very proud on the nights of November 18 and 19, 1954, because our play had really turned out a success. Proof of this was shown after the play when our class felt a closeness that it had never felt before. This closeness again appeared to follow us all through our Senior year. In December, as is the custom, we got our bright, new, shiny Class Rings! To us, they were the most beautiful rings we had ever seen. In May of that year we, as Juniors, attended our last Roman Banquet (as a result of squirt guns and cigars)! We were really big wheels at that banquet because we were masters of those lowly slaves!

It finally had come, that for which we had waited and hoped for many long months, and even years. It was "our" Prom on May 6, 1955. Our theme, "Moonlight and Roses"! The actual preparation for "our" Prom started months and months ahead of time. Remember our rose and pizza parties? We made thousands and thousands of roses. Thursday night before the Prom we put these roses to actual use. This was the night we started decorating. Our roses became a part of our beautiful garden scene; the full silver moon, the graceful bowing trees, the white picket fence, the pretty lawn furniture, and the arbor decorated with all pink roses. As we entered on Friday night, this was what met our eyes and soft, mellow music greeted our ears. Kids, how could we **ever** forget!

1956! The best years of our lives are now slowly coming to an end. Our Senior Year has really meant a lot to us. As each day goes by we realize that these are the last days that we, as Seniors, will ever share together

Although our football season wasn't **quite** the best Clyde Hi has seen, our undying spirit and the teamwork of the boys created a lot of wonderful memories for us to cherish in years to come. We must not forget the party that we had after the last home game at R. B.'s! We made some of our Senior dreams come true. That night we had a "rock and run" party! We're sure all Seniors will know what we mean! ! One of the more important things that happened this year was the taking of our Senior pictures. What a thrill it was to know that they were actually 'our' pictures! Remember Bill Dagg and how dressed up he was that day—?—white shirt, tie, and "blue jeans"! How do you suppose he got to school that day? Of course, he drove his "banged-up old red truck"! ! We had only four Seniors on the Varsity Basketball Squad this year but their spirit ruled the team. These four guys were Bill, Harold, Jim, and Glenn.

Since we didn't have the traditional study hall, our home rooms this year were supposed to be 11, 29, and 30 but it seems that we Seniors saw more of "Office 1, 2, and 3" than anything else!

Our play, the musical comedy, "Meet Me In St. Louis," under the capable direction of Mr. West promises to be a huge success! A lot of work has been put into our play but it is worth every minute of it. At practice, whenever Mr. West said, "Take five," out came the badminton rackets and sometimes we even had a little "jam" session," too!

We are also looking forward to our Senior Class Trip and our Prom. No matter where we go on our trip **we** are bound to have fun!

As spring approaches, and graduation is almost upon us, we realize that each moment is more golden than the one before. Therefore, we, as Seniors, dedicate these moments to the memories of our school days—those twelve golden years so full of everything we hold dear —the joys, the pleasures, the heartbreaks, the excitements of being young—the years in which our minds and spirits were molded.

Remembering Clyde Hi will ring a happy note in our hearts, and a little sad one, too. For these years, the happiest we shall ever know, are gone forever!

ORGANIZATIONS

1956 COURIER STAFF

The formal presentation of my 1956 Courier Staff is a source of pleasure and pride for me. Throughout my eight years of annual directorship, I have worked with many outstanding staff members. However, this year's staff, as a whole, has drawn more favorable comment from all who have observed them at work than has any previous group. The sincere interest in developing a fine book accompanied by unparalleled enthusiasm has enabled us to produce this, largest of all Couriers, efficiently and in record time. I sincerely believe that when the people of Clyde have had a chance to examine the 1956 Courier, they will also join in the praise of this very deserving group. And now, I wish to present:

Terry Coleman, Mr. Koester, Bob Bowman.

Terry Coleman, Senior Editor, and **Bob Bowman,** Junior Editor. Their first job is planning the layout for each page. Then comes the job of making assignments of those pages to the staff member involved. The completed page is then checked for accuracy, and is finally sent to the printer. One of the biggest jobs of the Editor is to keep the production operating on schedule. These two Editors have done a superior job this year. The '56 Courier is evidence of their efficient leadership.

Sylvia Broad and **Jackie Millard,** Class Editors. These two set a real record for speed and accuracy in accomplishing their task of identifying and arranging the approximately 1600 pupils of the Clyde Schools. The Senior Class History was also developed by these Class Editors.

Judy Crockett, Art and Organization Editor. Judy was a real asset to our staff. Her job was a big one, and it was well handled. The division pages were planned and drawn by her. The job of identfying the members of each club was also her responsibility.

Jackie Millard, Judy Crockett, Sylvia Broad.

1956 COURIER STAFF

Ardis Shetzer and **Ann Risley,** Typists. These two girls had the job of typing up all copy or printed matter which make up the book. Their regular attendance and efficient typing were a necessary operation in keeping our production on schedule.

Anne Risley, Ray Hintz, Ardis Shetzer.

Ray Hintz, Business Manager. Ray had his share of headaches with the magazine drive, the yearbook drive, and keeping the financial records accurate.

Carol Whittaker and **Frank Humberger,** Photographers. These two did the informal photography work for our informal pages and for the sport section. Both deserve a lot of thanks for the help they gave to the other staff members. They cut, glued, typed, and proof read as needed.

Charles Perry, Sports Editor. Charlie had no small task in rounding up the material he needed in order to develop his section of the book. It is a good thing that he had patience as well as perserverance.

Charles Perry, Carol Whittaker, Frank Humberger.

I am proud of my staff and I am proud of the job they did. I am sure that Clyde will be proud of their 1956 Courier, and of the people responsible for it.

THE CLYDE CHAPTER OF THE NATIONAL HONOR SOCIETY

The Chapter was organized at Clyde High School in the belief that a local Chapter would do more to accomplish the objectives of National Honor Society.

Historically, the National Honor Society is some thirty-five years old. It was started in Chicago in 1922 at a regular meeting of the National High School Principals Association. From an organization of twenty-two Chapters in that first year, the Honor Society has grown to become a National Organization with 5919 Chapters in all 48 states.

The object of this organization is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership and to encourage the development of character in students of Clyde High School.

Students to be eligible candidates for election to this Chapter must have a scholarship average of 3.5 for sophomores and 3.0 for Juniors and Seniors. Their eligibility shall then be considered on their service, leadership, and character, by the Chapter Council.

CLYDE HIGH SCHOOL BAND

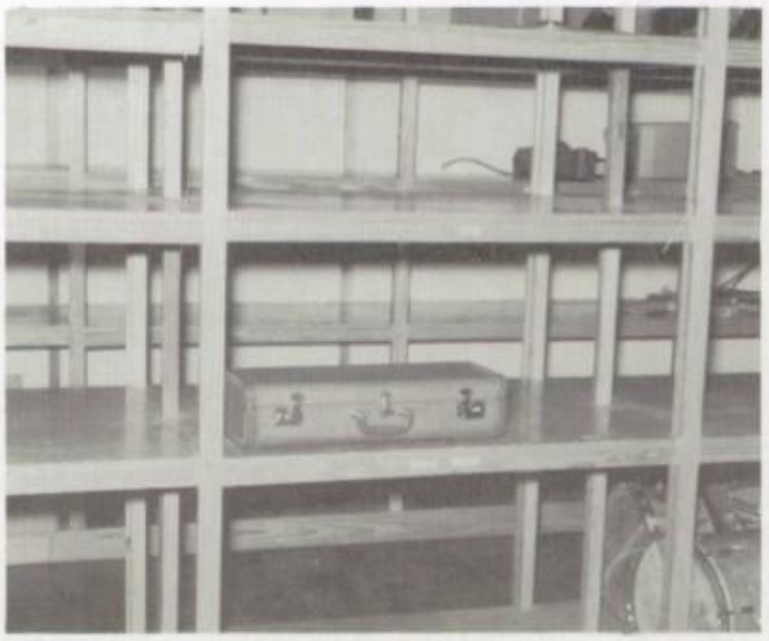
The 1954-55 school year was another busy and successful one for the Clyde High School Band. The year was climaxed by the receiving of the Superior "I" rating at the state contest at Marion, Ohio, last spring.

During the 1955-56 year we had a guest conductor at the spring concert. Also, we enjoyed immensely our exchange concerts with Fremont Ross.

The band was a little smaller this year since no eighth grade students were admitted to the group. The new set up gives up a Cadet Band of seventh and eighth grade students, and two elementary bands; one at South Main and the other at Vine Street Elementary schools, composed of fifth and sixth graders. Song Flutes are taught to fourth grade pupils, sixty one finishing the course this year.

Once more, we are happy to report that we have enjoyed the support of the community of Clyde, financially and otherwise. We are most grateful.

Where's everybody?



Well, Ronnie!

JUNIOR and SENIOR CHORUS

This choir has been reorganized since this picture was taken, and this group, less the boys, is a girls glee club now. Because of the inequality in voicing, we decided that the group would function much better as a girls glee club.

The five boys pictured above and about half the girls are now singing in the High School Choir, which meets three mornings a week before school. Other members of this group are Keith Anderson, Wayne Bilbrey, Terry Coleman, Bill Dencer, Harold Jennings, Jim Scheerer, and Paul Swartz. There are also four Sophomore girls in the early morning group: Arlene Coleman, Becky Eschelman, Dorothy Schrader, and Carol Schwan.

The new group hopes to go to the District Choral Contests at Bascom, and will participate in the concerts in March and May.

This group has sung for the Thanksgiving Assembly Concert, The PTA Christmas Concert, and the Christmas Assembly. They will also sing in the March Concert, the May Concert, and Baccalaureate Services. This is the only group which hasn't been changed in the High School program and are doing excellent work.

TRACK COMMENTS

A. W. HENDRICKS, COACH

The Clyde thinclads of 1955 were invincible in dual meets, however, they were only second best in the "big ones" with the exception of the Bowling Green and Clyde Relays.

There were ten senior lettermen on the 1955 squad with Robert Metzgar winning the coveted outstanding senior award.

The 1956 squad can be one of the Fliers better squads, should the Blue and Gold team be more determined than those of the recent years. Twenty six lettermen from the 1955 squad should be available for competition. As usual the Fliers will be meeting class A competition in dual meets.

The dashmen, hurdlers, pole vaulters, discus, and shot putters should have their days, as there is a lot of talented material in these events.

The eleventh annual Clyde Relays should be the outstanding home event of the 1956 season; with the Fliers, defending champions, meeting some of the outstanding Class B teams in Ohio.

The SBC Meet, as usual, will probably be the preview for the District Meet, with the Fliers battling the Oak Harbor Rockets.

BASEBALL COMMENTS

Having lost 8 regulars through graduation, the 1955 Fliers baseball team was made up mostly of Sophomores and Juniors. Inexperience was the key to the outcome of the season as errors and weak hitting prevailed. The finest pitching performance of the season was a two-hitter by Bill Weller, although Fremont Ross won 1-0 on an unearned run. Third baseman, Bob Metzgar, won the batting award with a .375 average. Bob also was named the outstanding Senior baseball player. The batting order for most of the games was as follows: Noss, second base; Lynch, shortstop; Metzgar, third base; Martin, center field; Weller, pitcher; Jennings, right field; McRobbie, left field; Dencer, first base; Anderson, catcher. Openings that will be difficult to fill will be made by the loss of Bob Metzgar at third and Lowell McRobbie in left field, through graduation. Several promising candidates from the Freshman class should make the battle for these as well as other positions quite interesting come next spring. With the experience of this season and that gained playing Junior American Legion ball, we hope that this group may again give Clyde High a fine baseball squad.

FOOTBALL COMMENTS

Our 1955 Football season ended with a record of one win, one tie, and seven losses.

Playing many class A schools for the first time provided some of the stiffest competition Clyde High School has ever encountered. But due to the growth of our school, experiences with class A schools will help us in the coming years.

The co-operation of the boys and students was far greater than our record. The football squad was lacking in depth and experience. The desire of the boys to win finally came through in the last game of the season with a victory over Elmore.

Frank Humberger, for the second straight year made the all-conference team as a tackle. Frank was also elected captain of the team by his team-mates.

There will be many vacancies due to the graduation of the ten seniors from our squad. The following seniors played their last game for Clyde High School: Ted Gray, Ronnie Brown, Frank Humberger, Charles Perry, Willson Baker, Bill Eshelman, Jim Wilson, Louis Capucini, Dennis Curliss, and Jim Scheer. We hope that these boys can be replaced by members of our Junior High squad, which ended the season with only one loss.

Once again I wish to thank the coaching staff, the students, faculty and other followers of our team for their co-operation throughout the football year.

Robert E. Miller
Head Football Coach
